HEALTHeLINK

Patient Consent to Participate in HEALTHeLINK Health Information Exchange
Level 1 Multi-Provider/Multi-Payer Consent

Please carefully read the information that follows before making your decision.

You may use this Consent Form to decide whether or not to allow Participating HEALTHeLINK Providers and Payers ("Participants") who are involved in your care to see and obtain access to your electronic health records for treatment and/or care management purposes. This form may be filled out now or at a later date. You can give consent or deny consent to some or all of the Participants. A complete list of Participants can be found at www.wnyhealthelink.com/Home/Patients/Participants. If you have any questions on completing this form go to www.wnyhealthelink.com/Home/Patients/PatientConsent. If you do not have internet access and would like a list of Participants or need help completing this form, please call (716)206-0993 ext 311. **Your choice will not affect your ability to get medical care or health insurance coverage. Your choice to give or to deny consent may not be the basis for denial of health services.**

In this Consent Form, you can choose whether to allow the Participants to obtain access to your medical records through a computer network operated by HEALTHeLINK, which is a part of a statewide healthcare computer network. This helps collect the medical records you have in different places where you get health care, and make them available electronically to the Participants rendering services to you.
